Auction
Items

Conference Objectives:

1. Describe the needs and expectations of brain injured persons returning to their communities.
2. Evaluate the educational, training, and recreational needs for children and adults who have experienced brain injuries.
3. Analyze new treatments and research in the rehabilitation of brain injured persons.
4. Identify employment opportunities for recovering brain injured persons.

*Proceeds benefit BRIDGES – Northern Kentucky Brain Injury Support Group.
Thank You for your Support and Participation!*

Recognizing our Corporate Sponsors, Platinum Sponsors and Exhibitors

Please visit their booths in Ballroom DE and Madison Lobby.

Thank you for making the conference a success!

BRIDGES, Inc. will be presenting three awards annually to a brain-injured survivor, a caregiver and a professional.

Benevolence Award

Brain Injury Survivor who has exhibited perseverance in their own recovery. This person must exonerate a positive attitude and have also aided another survivor in their recovery through education, support and/or advocacy.

Clara Hughes Caregiver Award

A caregiver who has shown devotion and dedication not only to their beloved brain injury survivor but also to other survivors and caregivers by performing unselfish acts of kindness while encouraging the education, support and/or advocacy of the survivor.

The Horizon Award

A professional, paraprofessional, clinician, and/or organization that stepped above their standards of practice within their work or community environment and went above and beyond expectations for the education, support, and/or advocacy of brain injury survivors or caregivers.
